

## Free Opinion Essay Transmission Map

### INTRODUCTION

#### 1. Situation Sentence (Hook)

Briefly describe the issue or topic

Example: In today's fast-paced world, the value of traditional education is increasingly questioned.

#### 2. Clear Opinion (Thesis Statement)

State your view clearly (agree / disagree / partially agree)

Example: I strongly believe that life skills should be taught alongside academic subjects.

#### 3. Essay Map (Optional)

Mention the two main reasons (short, no details)

Example: This is because practical skills are essential for adult life and help students succeed in their future careers.

### BODY PARAGRAPH 1 - Reason 1

#### 1. Topic Sentence

Introduce your first reason

Example: First, life skills equip students to handle real-world challenges beyond the classroom.

#### 2. Explanation

Explain why this matters and how it works

#### 3. Real-world Example

Workplace or home example; avoid clichés

Example: For instance, knowing how to manage a budget or resolve a conflict at work is crucial, yet rarely covered in academic settings.

## Free Opinion Essay Transmission Map

### 4. Concluding Sentence

Link back to the essay topic

Example: Therefore, without life skills, many students struggle with independence and decision-making.

## BODY PARAGRAPH 2 - Reason 2

### 1. Topic Sentence

Introduce second reason

Example: In addition, integrating practical skills into education enhances employability.

### 2. Explanation

Show cause-effect or benefit

### 3. Real-world Example

Reference a job market example, soft skill, or case study

Example: A Harvard study found that employers prioritize communication and teamwork over pure academic results (Harvard, 2022).

### 4. Concluding Sentence

Tie back to thesis

Example: This shows that students with real-life abilities are more likely to succeed professionally.

## CONCLUSION

### 1. Summarize Your Opinion

Restate your viewpoint in new words

Example: In conclusion, I firmly believe that life skills should be an essential part of education.

### 2. Expand or Predict

## IELTS Transmission

### Free Opinion Essay Transmission Map

Add insight, consequence, or call to action

Example: As the modern world grows more complex, schools must prepare students for both academic and real-life success.
